**Radioactive Wastes**

#### Alternatives to Household Hazardous Waste Chemicals

<b>General purpose cleaner</b>	3 cup borax, 3 cup white vinegar, 2 gallons hot water. Stir to dissolve. Use mop or sponge to clean. Alternative products: Murphy's Oil Soap or Citra-Solv.
<b>Scouring powder</b>	1 cup baking soda mixed with 3 cup borax. Dampen sponge and scoop up mixture. Rub on surface. Let "rest" then rinse well. Alternative product - Bon Ami.
<b>Paint thinner</b>	Let paint particles settle, then pour off clear liquid and reuse.
<b>Bug sprays/ insecticides</b>	For gardens, use companion planting and Integrated Pest Management. Plant disease resistant seeds. Pour a line of cream of tartar, red chili pepper, paprika or dried peppermint where ants are entering the house.
<b>Insect repellent</b>	Do not wear scented products outdoors. Burn citronella candles, punk wood, or incense. Alternative product - Bite Blocker.
